IV. READING COMPREHENSION

Read the passages and choose the best answer.

READING PASSAGE 1 – Questions 36–40

When Minh moved to a new school, he found it hard to talk to classmates. He spent most breaks alone and worried that he did not fit in. His teacher suggested joining a volunteer team that planted trees near the school. Minh agreed, although he had never taken part in such an activity before. Over the next two months, he made friends and learnt to work with people of different ages. He has continued volunteering since then. He says that helping others also helped him feel more confident.

36. What did Minh find difficult at his new school?

A. Doing his homework.
B. Making contact with classmates.
C. Learning about trees.
D. Finding a bus stop.

37. What did Minh’s teacher suggest?

A. Buying a fitness tracker.
B. Studying alone after class.
C. Joining a tree-planting volunteer team.
D. Moving to another school.

38. Which statement about Minh is TRUE before he joined the team?

A. He had never done such an activity before.
B. He had already led many teams.
C. He disliked all outdoor activities.
D. He knew everyone in the team.

39. What has Minh continued to do?

A. Study at his old school
B. Avoid classmates
C. Travel abroad
D. Volunteer

40. What can we infer from Minh’s experience?

A. Confidence depends on grades alone.
B. Only adults can volunteer.
C. Volunteering can build social confidence.
D. All students must plant trees.

READING PASSAGE 2 – Questions 41–45

Riverton is planning a pedestrian-friendly neighbourhood. The plan includes wider pavements, tree-lined streets and a small electric shuttle for people who cannot walk long distances. Residents can read the proposal online or at the local library. Some shop owners are concerned that fewer parking spaces may affect their businesses. The planning team will meet them next week and discuss possible solutions. Nothing has been approved yet; the town will publish a final decision after consulting the community.

41. What is Riverton planning?

A. A pedestrian-friendly neighbourhood
B. A new airport
C. A large car park
D. A second museum

42. Which service will help people who cannot walk far?

A. A free flight.
B. A new bicycle race.
C. A sports club.
D. A small electric shuttle.

43. Where can residents read the proposal?

A. Only in local shops.
B. At a clinic or a gym.
C. Online or at the local library.
D. Only at the mayor’s home.

44. Why are some shop owners worried?

A. The shuttle will be too fast.
B. The library will close.
C. Fewer parking places may affect their businesses.
D. The streets will have no trees.

45. Which statement is TRUE according to the passage?

A. Shop owners will not be consulted.
B. The plan has already been approved.
C. The decision was published yesterday.
D. The final decision will follow community consultation.

V. ADVANCED APPLICATION

Choose the best answer A, B, C or D.

46. Which sentence correctly expresses prohibition?

A. You should enter this restricted area.
B. You don't have to enter this restricted area.
C. You must not enter this restricted area.
D. You need not enter this restricted area.

47. Choose the grammatically correct sentence.

A. This device is belonging to my father.
B. I am believing smart cities will help us.
C. My brother is having a meeting with city planners now.
D. The building seems safely at night.

48. Which sentence has the same meaning as “He started using the app in May and still uses it”?

A. He is used the app since May.
B. He has used the app in May.
C. He used the app since May.
D. He has used the app since May.

49. Choose the most appropriate advice. “My grandfather finds the new bus app confusing.”

A. Tell him that his opinions do not matter.
B. Make him stop travelling.
C. Ignore him because he is older.
D. Show him how to use it and keep a printed timetable available.

50. Choose the sentence in which the linking verb is followed correctly.

A. The river water smells strangely today.
B. The green transport plan sounds reasonable.
C. The eco-bus looks efficiently.
D. The new buildings seem attractively.
