IV. READING COMPREHENSION - Questions 27-32

Community service brings benefits to both volunteers and their neighbourhoods. Students can take part in meaningful activities such as picking up litter, planting trees or helping younger children with schoolwork. By working in groups, they learn essential skills, including communication and teamwork.

Green clubs often arrange clean-up events in parks. Students can also donate books and warm clothes to families in need. Giving unused items away supports others and reduces waste.

Another option is volunteering at an animal shelter. It gives teenagers a chance to feed animals, clean their living spaces and learn responsibility. Volunteers do not receive salaries, but they gain valuable experience.

27. What is the main idea of the reading passage?

A. Why teenagers should stay at home
B. How to become a famous singer
C. Ways and benefits of joining community service
D. Why schoolwork is unnecessary

28. The word meaningful is CLOSEST in meaning to _____.

A. useful and important B. dangerous C. expensive D. ordinary
