IV. READING COMPREHENSION - QUESTIONS 27–32

Students at Green Hill School started a project called “Little Steps” to improve their neighbourhood. They did not have much money, but each team found a useful activity. One group cleaned the riverside and collected reusable bottles. Another created a book corner for younger children at the community centre. Every Saturday, volunteers read stories with them and helped them choose suitable books. The school’s art club made posters encouraging families to reduce plastic waste. At first, only twelve pupils joined the project. After neighbours saw the results, many more people offered to help. The students learned that teamwork and regular effort can make even a small project valuable.

27. What is the best title of the passage?

A. Why teenagers dislike sport B. Small actions, positive changes
C. The history of Green Hill School D. Dangerous activities for teenagers

28. According to the passage, why did the pupils create a book corner?

A. To sell books for profit B. To display sports equipment
C. To help younger children enjoy reading D. To hold a music competition

29. The word “them” in the passage refers to _____.

A. older people B. younger children C. books D. volunteers

30. Which activity did the pupils NOT do?

A. Organise a book corner B. Collect reusable bottles C. Clean the riverside D. Paint the school walls

31. The word “encouraged” is CLOSEST in meaning to _____.

A. motivated B. stopped C. forced D. ignored

32. What can be inferred from the passage?

A. Only adults can improve a neighbourhood. B. Projects succeed only with large budgets.
C. Working together can make small projects valuable. D. Children should stop spending time on hobbies.
